2008-09 FINAL REPORT**

This year has been an interesting one! I have learned a lot about myself as well as BUSU. I am looking forward to next year and the changes that will be taking place.

Last semester I attended the Brock Brand Focus Group, Annual General Meeting, President's Ball and JAB meetings. JAB stands for Justice At Brock and I have been working with them on several committees.

This semester I attended two town hall meetings with Dr. Lightstone about Budget Cuts and investigated as to the Budget cuts in the Humanities. During the meeting where BUSAC decided on the stance it was going to take was very trying and I was a little disappointed with how the meeting went but I do believe the decided stance was excellent.

During the executive elections, I became a temporary Board Member in order to replace those on leave. I was unable to fill polling hours for this election due to my school schedule as well as having pneumonia.

I recently ran for Board of Directors and succeed in holding a seat for the 09/10 year. The campaigning was not easy and I was up against some good competition. I am happy with the results but was still sad to see one of us 'go home'. Theo was very gracious with his results and I admire him for that. Congrats to Daud for his seat as well!

Next year should be interesting and I am looking forward to taking my roll on Board of Directors.
